Ask For and Wait For Toys,
Stay In Your Spot In Line

Upper Dublin Christian
Nursery School provides an en-
vironment where each child is
nurtured emotionally,
educationally, physically, and
spiritually, while experiencing
the gift of
God's Unconditional love.

What makes UDCNS Unique:

Small Class Sizes— our average class size is 8-10 children.

Experienced Teachers— Half of our Teachers have been here for over 10 years!

Play Based learning-intellectual, physical, and social-emotional abilities emerge and are strengthened through play.

Positive Behavior Intervention Support

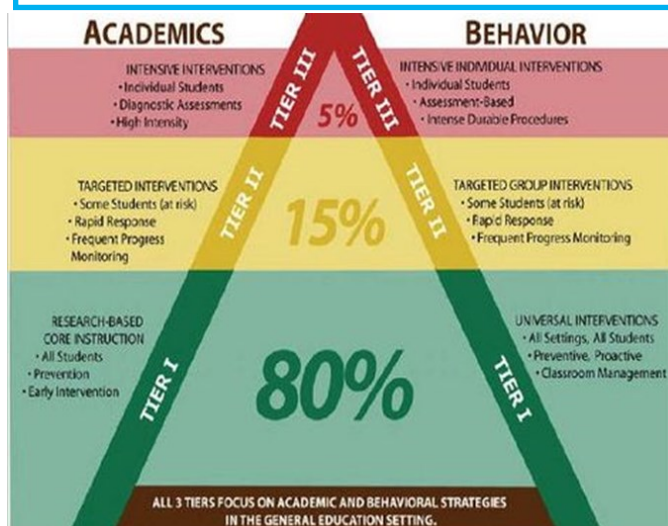

Director Stacey Condeelis, and our entire staff, are 100 % committed to the positive social– emotional development of our students. This approach is supported Schoolwide.

What is PBIS?

This is an acronym for Positive Behavior Intervention & Support. It is a systematic approach that supports a child's development of social and emotional skills using positive language and positive reinforcement methods.

Who Uses this Approach?

We encourage you as a parent and/or caregiver, to use this at home along with your child's teachers and UDCNS Staff. Many of the school districts use PBIS throughout the State of PA. However, we are one of the few Pre-Schools that have implemented these methods throughout our ENTIRE school.

Why is UDCNS Committed to this Model For the Entire School?

Research indicates that future success in the elementary school years and beyond is **directly related** to early behavioral success. Children that are taught these necessary skills early greatly improve their future learning success.

Skills Taught

Regulation of Emotions
Productive Expression of Emotions
Identifying Emotions
Coping with Conflicting Emotions
Conflict Resolution Methods

How Can I Learn More about PBIS at UDCNS?

PRINT: UDCNS has a special bulletin board in the lobby that houses samples of the “*Back Pack Connection Series*.” All are welcome to take the reference sheets home.

ONLINE: Check out the full listing of the back pack topics along with the other helpful tips and research articles at csefel.vanderbilt.edu.

The UDCNS Website also has a PBIS Page.

IN- PERSON: Please ask any UDCNS teacher about how they use the PBIS Approach in their classroom.
