

Classes for Twos

Two year old students can meet two or three mornings per week - Monday and Wednesday, or Tuesday and Thursday, or Monday, Wednesday and Friday. Children are nurtured as they are introduced to the concept of being without their parents. A gathering time, free play, project, snack and outside play time fill up the three hours. Curriculum is centered around early literacy concepts of colors, shapes and word play, through Bible stories and nursery rhymes.

Classes for Threes

Three year old students have the option of attending two, three, or five days per week: Monday, Wednesday and Friday mornings, or Tuesday and Thursday mornings or Monday-Friday mornings. Three year olds "work" on letter recognition and beginning number skills. Again these concepts are casually introduced through discovery, play, stories, nursery rhymes and literature.

Pre-Kindergarten

Pre-Kindergarten classes are designed to provide children classroom experiences through play and hands on learning activities that enhance growth in the areas of social-emotional and cognitive development. Using "Big Day for Pre-K", a literature-based curriculum, enriches the learning as well.

Our pre-kindergarten opportunities:
3 or 5 half days (9:00 to 12 noon) AND
Extended day (X-Bunch) available Tuesday, Wednesday and Thursday 12 noon to 3 pm.
X-Bunch children have lunch together, a recess period and then resume class time. X-Bunch will provide children themed, center-based activities throughout the year that will further develop their classroom experience. **Pre- K also has Friday STEM LAB!**

What makes UDCNS Unique:

Small Class Sizes— our average class size is 8-10 children.

Experienced Teachers— Half of our Teachers have been here for over 10 years!

Positive Behavior Intervention

Support-systematic approach using positive language and reinforcement to promote a child's social-emotional development.

Play Based learning-intellectual, physical, and social-emotional abilities emerge and are strengthened through play.

Our Staff

Kathleen Vega, Director. Kathleen has a Bachelor-Degree in Elementary Education and is a certified reading specialist. She is dedicated to helping each child recognize their special gifts given to them by god. Our lead teachers are degreed, caring individuals committed to God and to the students and families of our school. Our Classroom Assistants share those same commitments.

Our Facility

Our school is enhanced by our beautiful grounds with ample space for special events and a shaded playground. We have open space for large group activities, a wooded area with paths and a stream for observing nature and a great front lawn area. Inside we have bright and airy classrooms, and full use of all facilities including the church kitchen and Fellowship Hall, and the Multi-Purpose Room. Child-created work is always on display not only in the classrooms, but in the halls as well.

Our Programs

All areas of growth and learning are integrated into a Christ-centered program which includes language and reading readiness, communication and socialization, fine and gross motor skills, self-reliance, listening and sharing and recognizing oneself and others as children of a loving God. We offer programs for two, three, four and five year old children.

Our school day is 9:00 am to 12 noon. Daily lunch bunch is available from 12 noon to 3:00, along with special, optional classes to enhance lunch bunch. Our Pre-K classes also have an afternoon "X-Bunch" program from 12 noon to 3 pm on Tuesday, Wednesday and Thursday afternoons.

Summer Camp

Our successful summer camp now runs 7 weeks each year! Parents love our flexible scheduling and our teachers transform into amazing camp counselors! Summer camp hours are 9 am to 12 noon, and optional lunch hour daily until 1 pm. The camp program is open to the community. Brochures become available in March.

Chapel, Gym & Music

Students attend Chapel weekly. This is a fun, relaxed time in our sanctuary with Pastor Keith. It is a wonderful introduction to church. Children also have a music class each week, library time, and a Physical Education period.

Afternoon Special Class Offerings:

Kids In Motion

This motion class will teach the children about taking care of their bodies when exercising in fun ways! The goal is to move and be active in many ways not just sports!

Kids In-Spired

Your child will experience art, music, storytelling and drama in this fun filled class! They will explore and expand their creative little minds, dream big and be inspired!
